

AK 577 FINE LONG WEATHERING BRUSH

This brush is perfect to apply washes in those areas with difficult access with great precision. Thanks to its long tip is able to accumulate more quantity of paint than a normal brush to get finer and more uniform finishes.

Select the areas where we need more volume and contrast.

With its special rounded tip is very easy to control the zone where we will be painting.

With the brush moistened in Whit Spirit remove the excess.

The painted area is ready for more weathering effects.

It is perfect for the areas with difficult access.
