Pigments

Abteilung Pigments (MIG Productions pigments before) are respected the world over as the premier creator of superior model making pigments. Now you can find the top quality pigments and extended range safe for use and non-toxic, utilizing organic pigments for not only safety but also for quality.

Abteilung 502 oils not only contain a range of exclusive colors for modelers, but its special formula in which the proportion of oil to our high quality of pigments is controlled, allowing much more realistic finishes that can't be mimicked with those arts and craft store oil paints.
